

## Veteran Outreach

Veterans have made sacrifices to serve our country. They deserve optimum care and support. Bergen New Bridge Medical Center aims to strengthen our connections with veterans so that we can provide the treatment and support you deserve. We welcome the opportunity to speak directly with veterans about the resources our medical center has to offer! We will tailor each gathering to meet the specific needs of veterans and their families and answer any questions.

Contact Corinne or Kayla (contacts below) for more information.

Corinne Scarpa MS, MEd, ATC, CSCS

Supervisor of Veteran's Affairs and OCC Health
